HOLIDAYS: If collection falls on an observed holiday, service will be delayed one day that week.

Important Reminders About Your Trash & Recycling Service

The City of Hamilton partners with Rumpke to provide weekly trash and every-other-week recycling collection. Please follow the guidelines below to ensure your material is collected.

Trash Reminders

Residents are required to place trash in a City-issued blue trash cart, a Rumpke brown trash cart or a personal container with wheels, attached lid and metal bar on front for automated trash collection. Items placed at curb in bags or in other containers, won't be collected.

In compliance with federal law, Rumpke doesn't accept batteries, tires, liquids, combustible materials or any items identified as hazardous. Bulky materials including drywall, concrete, bricks, dirt or rocks are not acceptable.

Large Items

Residents can dispose of two large items such as furniture and appliances each week. Residents must contact Rumpke at least 24 business hours in advance by calling 1-800-828-8171 to schedule collection and learn how to properly prepare materials for disposal. Residents can also take material to the City of Hamilton's Transfer Station (1000 North Third St.), Monday-Saturday.

Service Reminders

Please place material out for collection the evening prior to schedule service.

Rumpke observes Christmas Day and New Year's Day. If service falls on or after either day, collection will be delayed one day that week. Visit www.rumpke.com for more details.

Recycling Reminders

Recycling is collected every-other-week on the same day as trash. Please place material at the curb during the weeks highlighted on the reverse side.

Recycling should be placed loose in recycling containers. Don't put material inside of plastic bags. Plastic bags hinder the recycling process and aren't accepted in the recycling program.

Make your recycling efforts count. If it isn't on the list, leave it out of your recycling container.

✓ Recycle These

Only place the following items in the recycling container. **Do NOT place recyclables in bags.** Please note, your recycling may not be collected if contaminated with trash.

PAPER & CARDBOARD

GLASS BOTTLES & JARS

PLASTIC BOTTLES

CARTONS

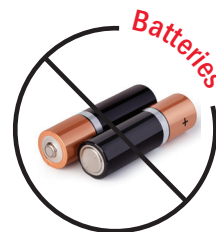

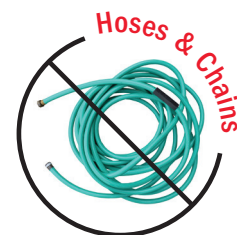

METAL CANS

⊘ Not These

Please keep these items out of the recycling cart. They can be dangerous to Rumpke employees, damage equipment and disrupt the recycling program.
