6.3	Location and placement
6.4	Maintenance and operation

Administrative

901:3-4 OAC
3701-21 OAC

Violation(s)/Comment(s)

Manufacturer was contacted by management and informed of the issue. No buns with mold were detected today and manager indicates none have been found to have mold since previous inspection. It is wise to continue to monitor buns more closely during summer months. No shipments current or previous have gone beyond "use by" date.
