Violation(s)/Comment(s)

Note: Made consultation with Ben Richards Food Service Director and Jen Perciful inmate advocate for the Butler County Correction Center regarding the trusty that tested positive for Hepatitis A that worked in the main kitchen at Butler County Correction Center - 705 Hanover St. Stressed the importance of proper hand washing and glove use. Discussed when to exclude and when to restrict an employee/trusty to prevent the spread of illness. Suggested that the hand sink by the 3 tub sink be fixed so that the hot water can stay on longer - instead of having to repeatedly turn on the faucet. Information sheet given to person-in-charge. (PIC). Also discussed that diligent hand washing, good personal hygiene, eliminate bare hand contact, and continuously disinfect the facility will prevent spread of illness.
